

VOLUNTEER GUEST SPEAKER AND WORKSHOP PRESENTER - Role Description

Are you a professional in your field of expertise? Do you want to actively participate in educating, motivating and inspiring students to become catalysts for change?

We need you!

We are currently seeking expressions of interest for professional presenters that can deliver dynamic presentations and workshops related to koala conservation to primary and secondary students. You will have the opportunity to reach young minds and provide them with an experience, that will build empathy and connection for our natural world. Ideally presentations and workshops will inspire students to advocate for and act, to ensure the conservation and preservation of our important umbrella species The Koala

Presentations and workshop can be arranged at times that are convenient for the volunteer's schedule. The number of presentations delivered is based on the volunteer's time, interest, and availability. If significant travel is required, pre-approved travel allowance is considered up to a certain distance.

Responsibilities

- Provide dynamic learning environment through workshops/educational presentations
- Development of presentations or workshops
- Provide presentation to Koala Smart for approval prior to the event if requested
- Log your volunteer hours
- Promote Koala Smart
- Respond to emails and phone calls
- Attend online meetings as requested
- Provide exceptional customer service
- Fill in reports as required

Requirements and skills

- Be over 18
- Hold a current Working with Children Check (free for volunteers)
- Passionate about Koala Conservation
- Public speaking/presentation experience
- Education experience within a school environment desired
- Ability to use computers and presenter tech if required
- Excellent phone, email, messaging, and communication skills
- Experience in working with a diverse demographic of individuals is desirable
